

SAY NO TO THE DALI REFERENDUM

The Dali museum organization has plans to proceed with a \$42 million dollar parking lot expansion

The museum wants to invest taxpayer dollars in their proposal for the expanded parking lot, which should be funding social services instead

The museum boasted about “contributing 160 million dollars” to the local economy but could not specify how or define what “local” means

How can you help?

The City Council will hold a hearing to reach a consensus for this under agenda item I-2

Show up and sit in for the council hearing on Aug 12th

How can you help?

Email the City Council at:

City.Clerk@StPete.org

and tell the council members to vote NO on the Dali referendum

Due to the overwhelming
support from our local
community, the Dali museum
organization has withdrawn
their proposal for plans of
parking expansion

Thank you
